TESTIMONY

My New Dawn Era Testimony

I was on my way from Uyo to Ijebu-Ibo where I was to perform ritual for money, on Wednesday 19th but God turned everything around. While I got to Ijebu-Ode I missed my way to Ijebu-Ibo and I found myself in a bus going to Ota. On getting to Canaanland gate I called the ritualist that I was at Canaanland gate, he said you have missed the track, get back to Ijebu-Ode and I will send my son to pick you up. Then something ministered to me that you have been hearing of Canaanland why don't you go inside and see how it looks like. To my amazement, immediately I crossed the security post, my phone which was 100% charged went off completely. All means to get to them proved abortive; no way to charge, nobody has small pin mouth or desktop charger to assist me. Since there was no option for me I had to join the Mid-Week Communion Service and after Papa's ministration I gave my life to Christ again which has now become the date of my new birth. Thereafter, Pastor David Oyedepo Jnr. placed me on spiritual guidance and counseling. To crown it all, as if delivering me from the hands of the devil was not enough, yesterday, I told one of the Pastors that I have been hearing the state Calabar, Calabar in my head. He said don't worry, you will not hear it again and I pleaded he should join me in prayer because I don't know what it means.

Lo and behold, at about 12:25pm I received an SMS calling me to pick-up an appointment letter from Nigeria Port Authority (NPA). The interview for that appointment letter was conducted since 2016 and we have forgotten about it. The SMS is still in my phone. They asked that I should come with the SMS and any means of identification to pick-up my appointment letter the following Wednesday. I have come to return back the glory to the God of Liberation. Thank You Jesus! -ADUMALI SOLOMON, FROM AKWA-IBOM STATE
